

September 2020 Opportunities for Involvement

Homework Club Support: As the new school year begins, we have started to plan for Homework Club. Although there are still many uncertainties of what is to come for the 2020-2021 school year, we are determined to provide academic support for the children in our program. If you are interested in providing academic support and mentoring, whether it is remotely, on site, or a hybrid of both please contact Mariel McMIndes at mmcmindes@hopesolutions.org

Volunteers to Pick Up and Deliver Beds: Transporting beds to new residents throughout Contra Costa County is a great challenge during these times. A volunteer that can pick-up mattresses and platforms (both in boxes) from our Pleasant Hill office and deliver them to various resident's households throughout Contra Costa County is needed. Deliveries will be PORCH DELIVERIES ONLY, no need to set up beds. If you are able to help, please contact Mariel McMIndes at mmcmindes@hopesolutions.org

Furnishings: Every month we have families and individuals moving into homes. We try our best to provide furnishings and household items. We are looking for furnishing donations, and this month we are in need of a few items, such as cleaning supplies, kitchen kits, bath towels, dishes, pots and pans, and silverware. We are also in need of \$25 gift cards to Target for new families moving into homes. For a complete list of furnishings needed this month, please take a look at the attached Furnishing Request sheet [here](#).

Face Masks: Are you a sewer? If so, we need your help. We are looking for volunteers to sew face masks for our residents. If you are interested in making face makes for our program but movement restrictions are holding you back, we can arrange to drop off materials and pick up completed masks at your residence. If you are interested in sewing face masks for our residents, we encourage you to use these patterns: <https://tinyurl.com/sfwstpy>. Please contact mmcmindes@hopesolutions.org or call 925-788-3676 to make arrangements for materials.
