

May 2022 Opportunities for Involvement

After School Support: We need compassionate and patient volunteers to provide academic support and mentoring for the children in our after-school programs. Volunteers are asked to commit to one afternoon a week for the rest of the school year. Adults and high school sophomores and above, are highly encouraged to volunteer their time. Volunteers must complete a vetting process and be fully vaccinated and boosted if eligible. If you are interested in volunteering in our after-school programs, please complete our interest form [here](#).

Summer Camps: Hope Solutions will be hosting in person summer camps at our three sites: Pittsburg, Concord, and Pleasant Hill. We are looking for volunteers who are interested in sharing a skill or talent with the children in our program. If you are interested in assisting with our summer camps, or would like more information, please contact Sandibel Arnold at sarnold@hopesolutions.org

Summer Backpack Drive: We are excited to announce our annual Backpack Drive! Last year we distributed over 400 backpacks to the children in our programs and with your help, we plan to equip even more children this year. More details will be available in the upcoming weeks. If you would like more information on how you and your communities can play a larger role in this year's backpack drive, please contact Sandibel Arnold at sarnold@hopesolutions.org.

Welcome Baskets: Every month we have families and individuals moving into homes. Help us welcome them into their new house by providing a small welcome basket. Welcome baskets can be a small laundry basket filled with essentials such as bath towels, cleaning supplies, and toiletries. Baskets can be dropped off at the office. For more information, please contact Sandibel Arnold at sarnold@hopesolutions.org.

Ready to Go Move-In Kits: When we have a new resident moving into their home, we try to provide them with a few essentials, including plates, glasses, and flatware. We are looking for volunteers that will put together small move in kits for new residents. Kits should include: 4 plates, 4 bowls, 4 glasses, and 4 sets of flatware including spoons, forks, and butter knives. Move in kits should be boxed and ready to go. Cooking utensil kits are also needed, including mixing spoons, tongs, and spatulas. For more information, please contact Sandibel Arnold at sarnold@hopesolutions.org
