***Ruby Boots* Committee Roles & Responsibilities**

Event Overview:

Do you love event planning for a cause? Do you find joy in making outreach calls, finding and/or packaging items for silent auctions, and networking with your community? Do you enjoy decorating for large events and fun gatherings? If so, please join our 2023 *Ruby Boots* committee!

Ruby Boots- There's No Place Like Home is Hope Solutions' annual gala benefitting local homeless and at-risk families and individuals. The event raises over \$250,000 annually and the program includes a silent and live auction, wine pull, seated dinner, and dancing. The success of the gala relies on the support and efforts of the *Ruby Boots* committee, sponsors, Hope Solutions' staff, and Board of Directors.

The Ruby Boots Committee is responsible for a variety of important elements of the gala, and volunteers can choose the activities that align with their interests. Sub-committees include sponsorship and auction focused outreach. Opportunities include but are not limited to:

- Supporting the identification of prospective corporate and individual sponsors,
- Outreach for wine sponsorship and donations,
- Identifying and soliciting silent and live auction items,
- Developing, planning, and creation of gala décor,
- Participating in day-of-event set up, and
- Collaborating with Hope Solutions Staff and Board of Directors with new and innovative opportunities to enhance gala elements (silent auction, live auction, wine pull, photo booth, and more!)

Time Commitment: Roughly 5 hours a month. Includes, one-hour monthly meetings from August 2022 – April 2023, plus additional volunteer tasks (i.e., gathering items for silent auction, phone/email outreach calls, etc.).
